About This Product

This product includes 8 different printable thank you cards for your students to color. The cards are 2-sided - just print, fold, and color!

Printing Instructions

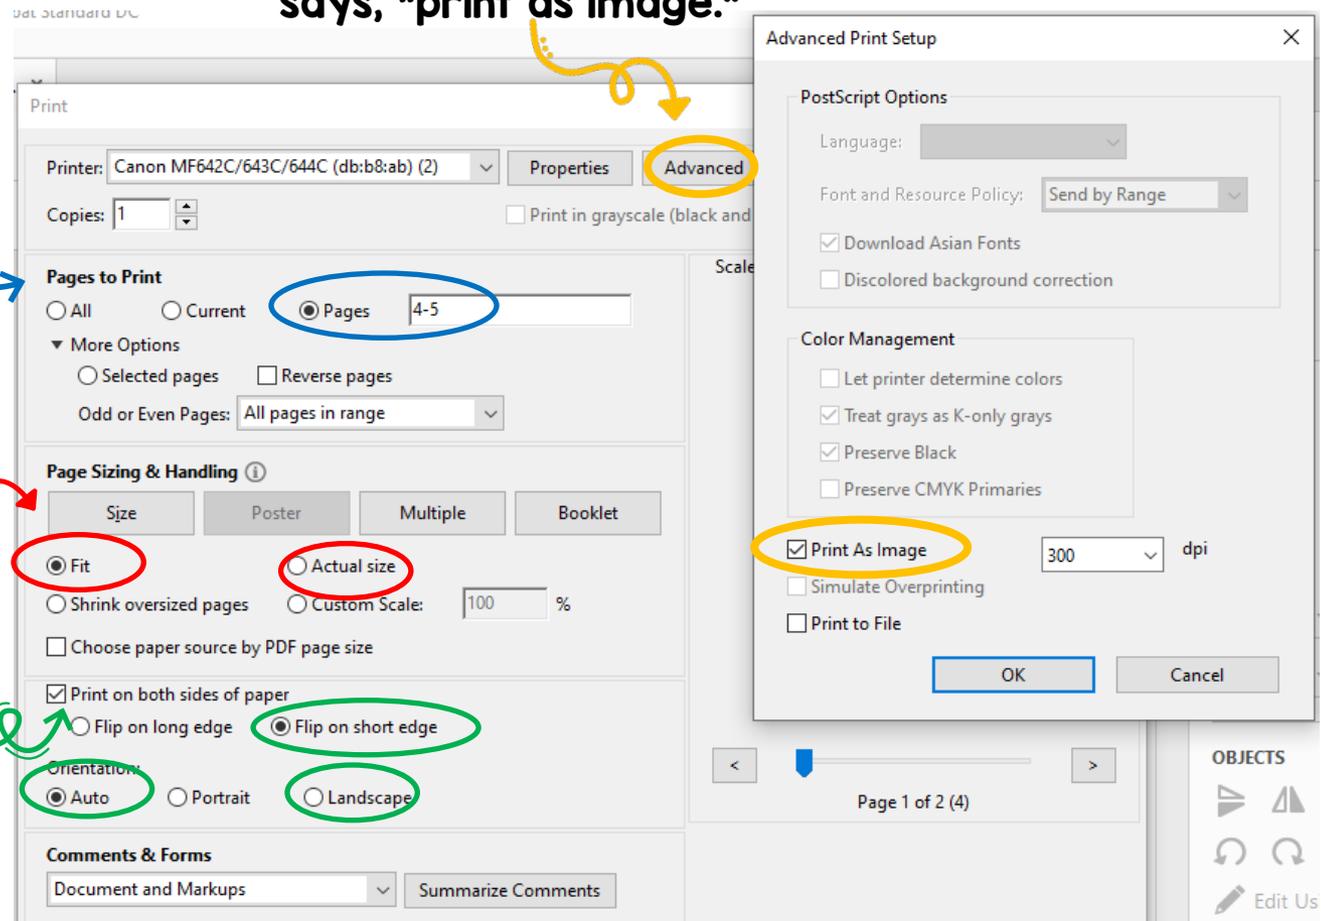

For best results, use the most current version of Adobe Reader and follow these steps to print:

Click "advanced" and check the box that says, "print as image."

Select the page numbers that you want to print. (Even numbered pages have the front covers; odd pages have the inside of the cards.)

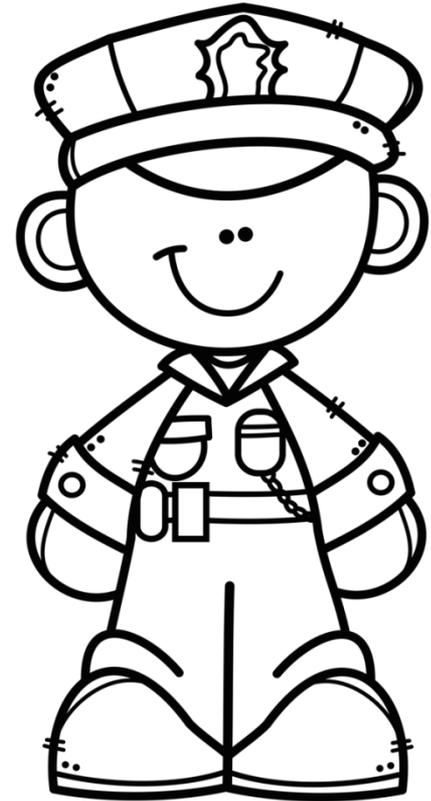

Select "fit" to print the cards at full-page, or "actual size" to leave a border around the outside.

Select "Print on both sides of paper" and "Flip on short edge." Make sure the orientation is set to "auto" or "landscape".

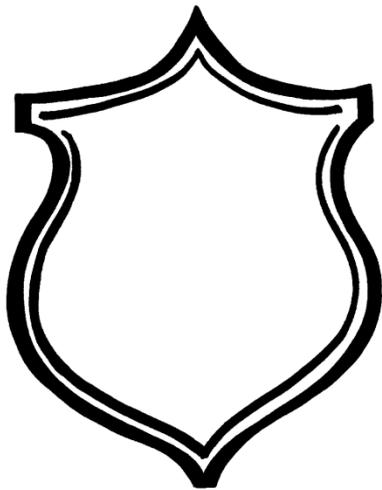

** For Ink Jet Printers you will have to print one page at a time and flip the page over to print on the other side.
